MOMENT DESKS

Moment Desking is the perfect solution for the needs of the modern office. Celebrating natural materiality with sleek, minimalistic design, each desk acts as a building block, which can be combined, added, removed, and constructed into layouts that meet the needs of any team.

VARIOUS DRAWER OPTIONS AVAILABLE:

PENCIL DRAWER

PENCIL DRAWER
W/OPEN STORAGE

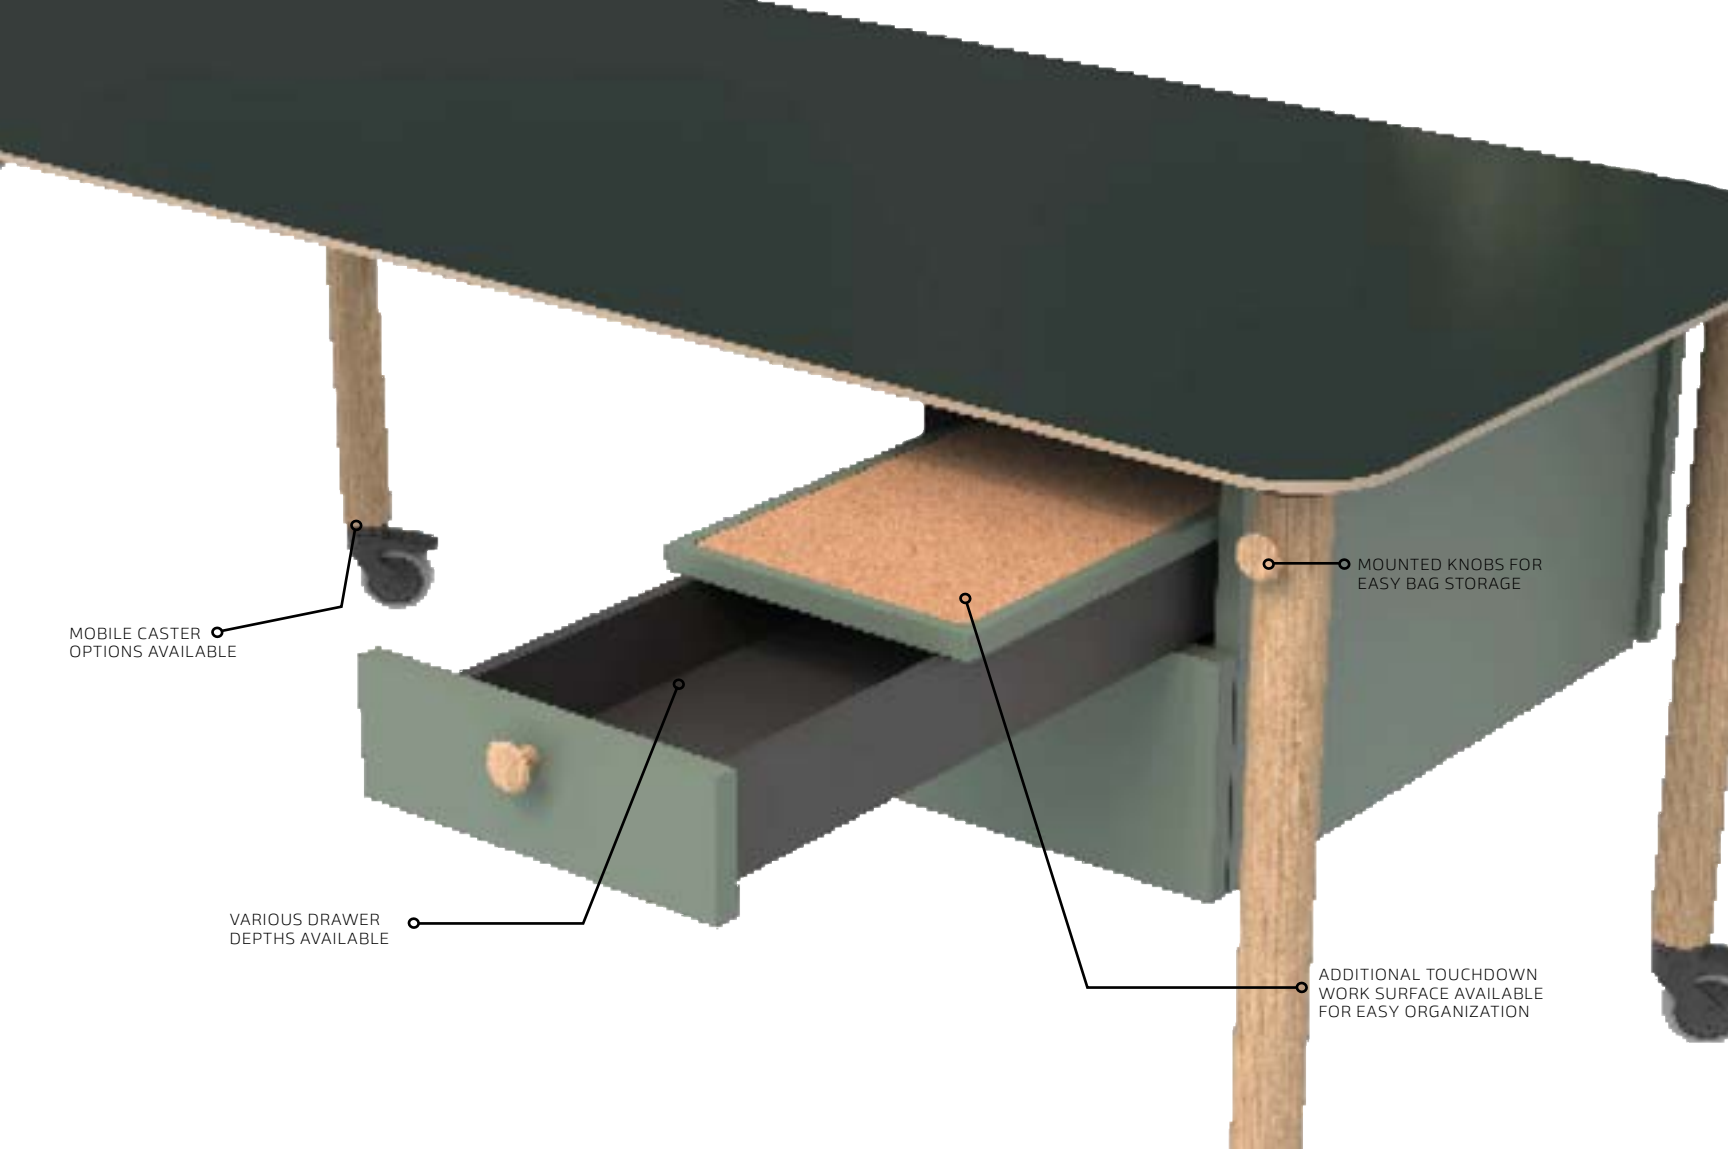

PENCIL &
STORAGE

PENCIL & FILE
DRAWER

MOBILE CASTER
OPTIONS AVAILABLE

VARIOUS DRAWER
DEPTHS AVAILABLE

MOUNTED KNOBS FOR
EASY BAG STORAGE

ADDITIONAL TOUCHDOWN
WORK SURFACE AVAILABLE
FOR EASY ORGANIZATION

FORMABLE SPACES

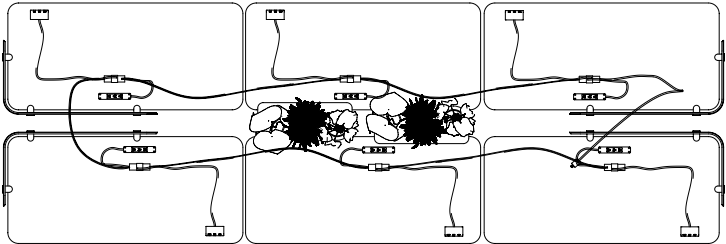

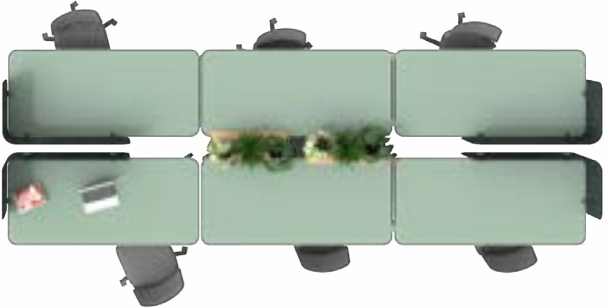

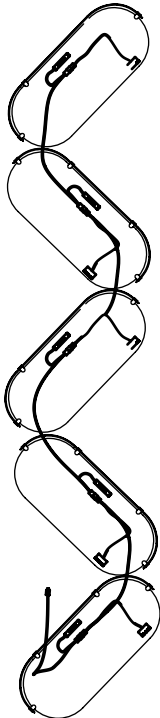

Moment desking reduces costs and increases flexibility by eliminating the need for a bulky and static panel and power systems. It integrates the revolutionary Byrne Pattern System that allows desks to organically form work pods of up to 12 desks powered of a single three prong plug.

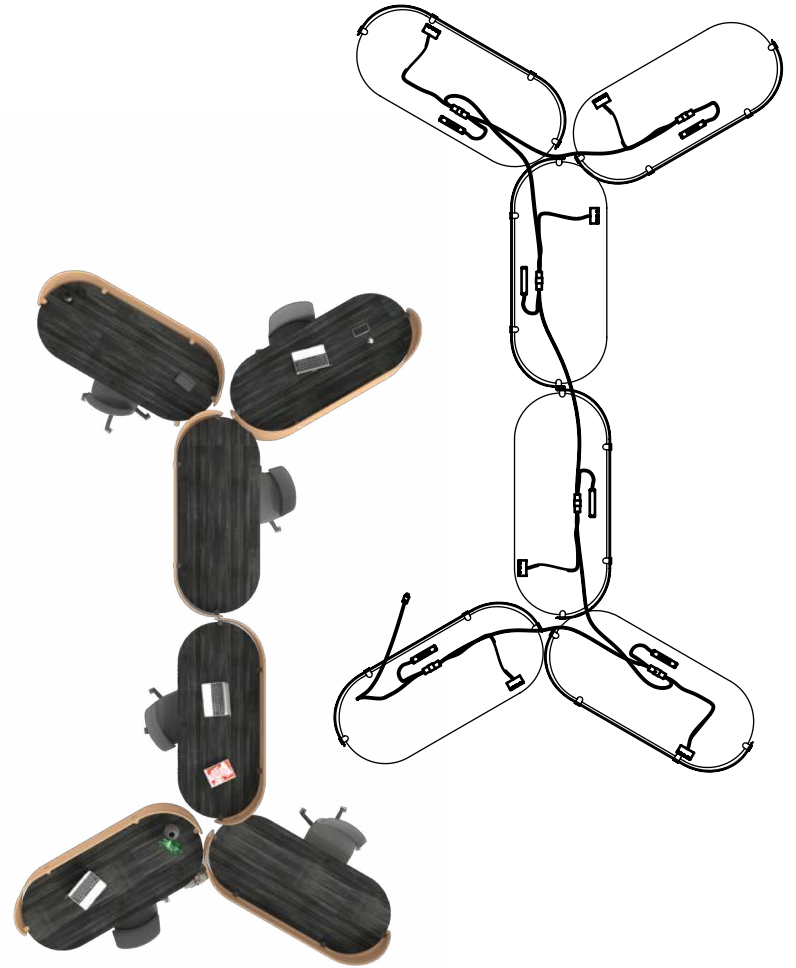

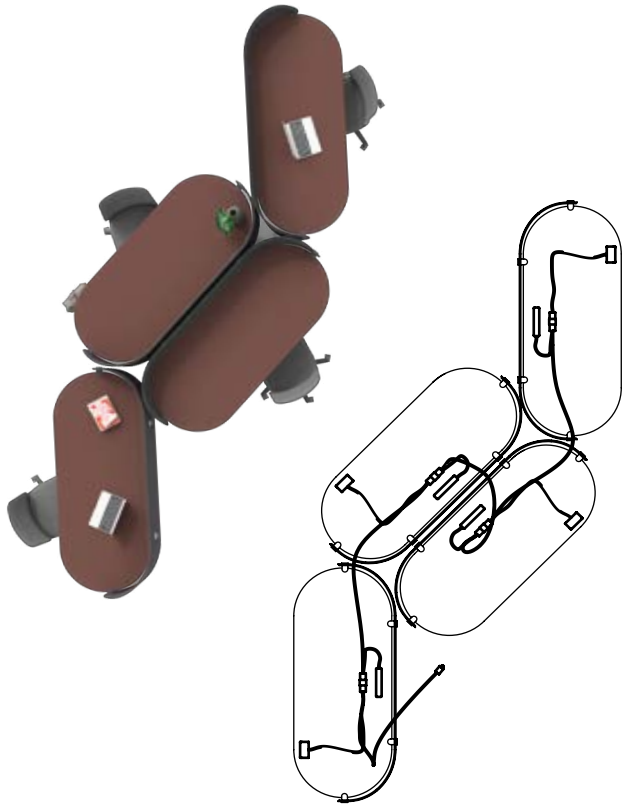

Desks can be disconnected, removed, relocated, and reconnected to different pods, all with a single user accessible connector, providing ultimate flexibility to reconfigure and adapt spaces.

LAYOUT EXAMPLES

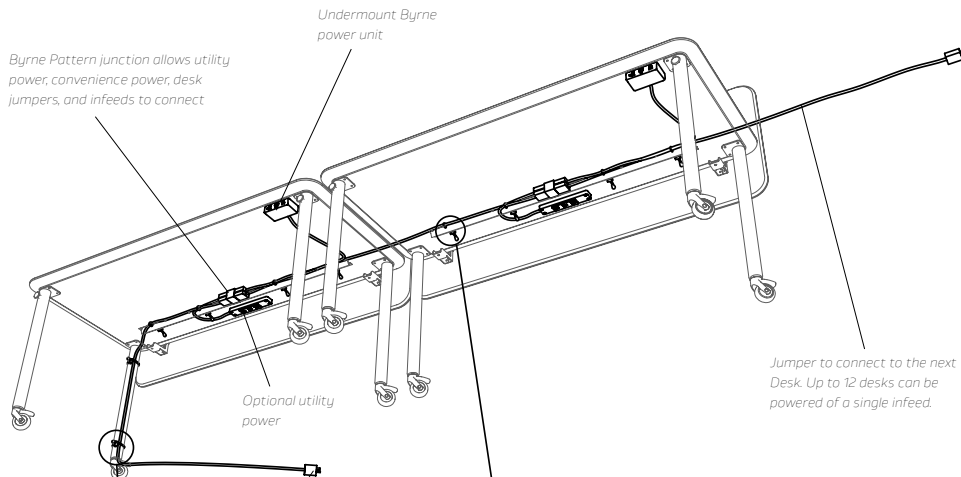

Mounted under desk wiring options allow for flexibility of configuration

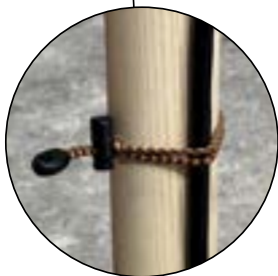

Whatever space you are working with,
there is no limit when it comes to layout
with this sleek and innovative design

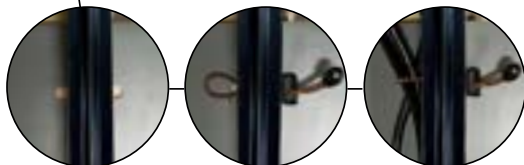

POWER & DATA SOLUTIONS

10' Power infeed. 20 amp head or hardwire whip options

Adjustable bungee cords offer user configurable cable management down any table leg

There are slots routed between the surface and the wood frame.

Bungee cords can be fed through these slots.

These bungee cords can be used to manage cables under the surface.

Standard on all tables:

Under Surface Cable Bungee

4x

Leg Cable Bungee

2x
