# WE GOT THIS ON LOCKDOWN

We designed STO Lockers to fill the gaps left by others in today's market. STO provides a vast customizable array of sizes, finishes, and lock configurations to meet any organization's locker needs.

# FRONT OF HOUSE

Showcase lockers in the front office?  
With STO Lockers the refined form adds functional value to reception areas servicing frequent hot desk workers and guests.

Shown in Afternoon Showers and Carrara Emporio solid surface

# A THREE FOR ONE DEAL

STO Lockers do triple duty with style. Create end of run space division. Add maintenance free functionality with Keyless One™ mechanical locks and marker board doors. Finish it all off with planter boxes on top and easy to care for snake plants.

# MADE TO ORDER, MADE FOR YOU

Shown in Indigo, White, and custom wrap

At Makr Furniture we turn your vision into reality every day. STO Lockers can be wrapped in Parsons shrouds, benches, boxes, you name it and it will be done.

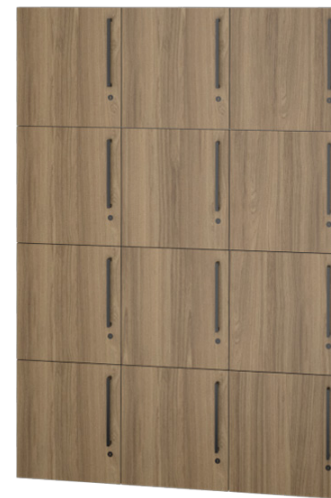

## CUSTOM CAN

Turn up the usability of your locker space by including a custom built in bench in any fabric

## Driving Value Door To Door

Only STO Lockers offer grid doors. By designing our lockers one, two, or three doors wide on one chassis you benefit directly from less wasted raw material, faster installations, and substantial purchase price savings

### STO Lockers

#### 1 Cabinet

- 30% price drop
- Faster installation
- Thoughtful use of raw materials
- Super fit-n-flush

### Competitors

#### 3 Cabinets

- Price increases by 30%
- More time to install and level
- Wasted material

## Lower Your Cost of Ownership

STO Lockers feature Keyless Co. locks. Choose from 2 styles of integrated combo locks or a BYOL hasp option. These locks never need batteries or re-orders of lost keys.
